Part III, Line 1a - Terms for Not Reporting Assets Per SFAS 116

The art collection, acquired through purchases and contributions since the Foundation's inception, is not recognized as an asset in the Statement of Financial Position. Purchases of collection items are recorded as decreases in unrestricted net assets in the year in which the items are acquired or as temporarily or permanently restricted net assets if the assets used to purchase the items are restricted by donors. The Museum's collections are made up of paintings and art objects that are held for educational, research and curatorial purposes. Each of the items is cataloged, preserved, and cared for, and activities assessing their condition are performed continuously. The collections are subject to a policy that requires proceeds from their sales to be used to acquire other items for collections.
